

# INDIANA REGIONAL MEDICAL CENTER

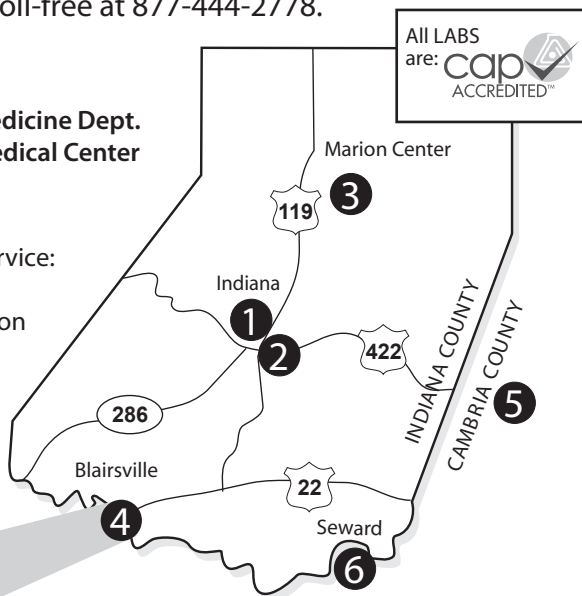

## SATELLITE LOCATIONS

All laboratory/radiology tests ordered by physicians can be performed at Indiana Regional Medical Center. However, it may be more convenient for patients to have laboratory samples collected at other locations. Mammogram screenings are done by appointment at sites 1, 3, 4, 5 and 6. Call the Scheduling Center at 724-357-7075 or toll-free at 877-444-2778.
